"Pad-lock Faucet Lock"

PE-SFL "Slide-on Faucet Lock"

- Body is a heavy duty aluminum casting.
- Locks keyed the same to eliminate the need for multiple different keys.
- Easiest faucet lock to use.
- Lock will fit standard beer and wine faucets. It will not fit stout type faucets.
- Do not overtighten. Only a snug fit is required.

PE-WFL "Wrap Around Faucet Lock"

- Body is a heavy duty steel construction.
- Locks keyed the same to eliminate the need for multiple different keys.
- Lock will fit standard beer and wine faucets. It will not fit stout type faucets.
- Do not overtighten. Only a snug fit is required.

PE-PFL "Pad-lock Faucet Lock"

- Body is a heavy duty aluminum.
- Once the metal wheel is tightened against the tap handle, slip on the padlock and rest assured the beer faucet cannot be opened without the key.
- Available in Chrome or Brass finish.
- Do not overtighten. Only a snug fit is required.
